Berman Commons
Dunwoody, Georgia

Jewish Home Life Communities (JHLC), a diversified and successful senior care organization in Atlanta, GA seeks an Executive Director to lead Berman Commons, its newest licensed 90-unit assisted living and memory care community located in Dunwoody, GA. JHLC is a \$27 million non-profit system that offers a wide range of services to seniors, including long-term care, independent and assisted living, rehabilitation, home care and hospice. It is in strong financial condition, features 5-star quality scores, enjoys an excellent reputation, and has for the past three years been cited by the *Atlanta Constitution* as a “Great Place to Work.” See www.jewishhomelife.org.

Berman Commons resides in the heart of the Jewish Community of Greater Atlanta, has revenue of \$6 million annually and employs approximately 75 employees. It helps seniors live as independently as possible by delivering personalized care in a warm, vibrant and welcoming environment.

The Executive Director (ED) will be responsible for the management of Berman Commons in accordance with applicable regulations, and will oversee all its functional areas, including resident services and programs, dining services, facilities, environmental services and marketing/sales.

The successful candidate will be an energetic, mission-driven Senior Care executive with clinical awareness, business savvy, and strong leadership capability. Experience leading an assisted living business is preferred; credible track record of leadership of a nursing home, with Nursing Home Administrator’s licensure, is acceptable. A candidate having *both* assisted living and nursing home experience would be ideal. Master’s degree is preferred.

Berman Commons’ next ED must be warm and engaging, skilled at managing the operation of a diverse workforce, and have a big-picture, strategic vision. S/he must also be comfortable in a highly visible role before the organization and community.
